

This exploded view diagram illustrates the assembly of a bicycle frame. The main components shown are the frame tubes (1, 2, 3, 4, 5, 6, 7), the seat post (22), the handlebars (21), the front fork (29), the rear fork (30), the front wheel (8), and the rear wheel (8). The diagram includes numerous numbered callouts (1-35) for specific parts such as bolts, nuts, washers, spacers, and bushings. Dashed lines indicate the assembly sequence and the location of each part relative to the main frame structure. Key assembly points are labeled with letters A, B, and C. The diagram is a technical drawing in black and white, typical of a user manual.
